

## Trainers and Consultants for g320

May 2011

g320 has received a number of approaches, offering training or consultancy and asking if we would let them come and speak to the group. They all come recommended by someone in g320 or the NHF.

	<b>Trainers</b>	<b>Referee</b>
1	<p><b>Badenoch and Clark</b>            Governance training: possible programme of modules circulated in February. 4 positives (only two definite) and 6 refusals received. One of the positive respondents needs to take this forward with Badenoch and Clark.</p>	JC/EC
2	<p><b>Maggie Piazza</b>            Stepping Up Training: an exciting new collaboration between Felicity Dwyer and Maggie Piazza, website: <a href="http://www.steppinguptraining.co.uk">www.steppinguptraining.co.uk</a>            Together, we have an established track-record of providing high quality workshop training for managers in the voluntary, community and statutory sectors, specialising in volunteer management. The first offering is our <i>Effective Management of Volunteers</i> programme. This practical and substantial open course is aimed at those who manage volunteers as all or part of their role.</p>	CW
3	<p><b>Geeta Varma</b>            Community development manager at Credit Action. They mainly help housing staff and tenants/residents with money related advice and information and provide excellent training courses and have devised excellent toolkits.  <a href="mailto:geetavarma@creditaction.org.uk">geetavarma@creditaction.org.uk</a> 020 7380 3390.</p>	Dino Patel NHF
4	<p><b>Louise Brown,</b>            ICT Development Officer, NCVO            Increasing your Impact Through Technology</p>	CW

5	<p><b>Helen Giles</b>            The Broadway/Real People consultancy is very keen to become better known in the sector, especially among smalls. Helen Giles (who does a regular column in Inside Housing) is impressive. <a href="http://www.broadwaysrealpeople.com/Home">http://www.broadwaysrealpeople.com/Home</a></p>	EC/CW
6	<p><b>Ros Spencer</b>  <a href="http://www.crouchendcoaching.com/1801.html">http://www.crouchendcoaching.com/1801.html</a> Used to work at Notting Hill HT and elsewhere in the sector. Now offering coaching/mentoring.</p>	MW
7	<p><b>Diamond Build</b>            Fire Risk Assessments a speciality. MW bumped into this lot at Brighton and said they looked and sounded quite impressive. There was an ex Deputy Fire Brigade Commander they had in tow. They are known (and liked) by Pat Horgan (at Haig) and John Lau. <a href="http://www.diamond-build.co.uk/fire-prevention.html">http://www.diamond-build.co.uk/fire-prevention.html</a></p>	MW & Pat Horgan and John Lau
