### Looking to give something back to the community?

What about Greenwich Housing Society?

Greenwich Housing Society is small Housing Association based in the Blackheath Standard area in South London. We currently own and manage 17 homes on two sites providing accommodation for people of pensionable age with a connection to the Royal Borough of Greenwich.

We provide a very local and personal service to our residents at affordable rent levels.

The Society is managed by a small voluntary committee which meets approximately six times a year. We contract in Housing Management and Financial services to ensure that our residents receive a great service and that we comply with all the appropriate regulations.

We need to strengthen the Committee following two members leaving and are looking for the following skills:

Legal, especially in Housing  
Financial  
Property/Surveying/ /Development  
Communication  
Governance

You do not need to have a background in Housing, but it is helpful. You can find out a little more about GHS via our website.
